

Chocolate Truffles

12 pieces

Easy

up to 40 Min.

Ingredients:

For the truffles:

150 g Dr. Oetker 35% Milk Chocolate
25 g Unsalted butter
50 ml Double Cream
2.5 ml Dr. Oetker Madagascar Vanilla Extract (1/2 Tsp)

For the coating:

75 g Desiccated Coconut (5 Tbsp)
30 g Dr. Oetker Chocolatey Strands approx.
30 g Pistachios approx.

- 1 Break the Chocolate into a heatproof bowl and add the butter. Put the bowl over a saucepan of barely simmering water and leave to melt. Remove the bowl from the pan of water and leave aside for 10 minutes to cool.
- 2 Stir in the cream and vanilla extract and mix well. Leave to cool completely, then cover and chill for at least 2 hours until firm enough to shape.
- 3 Using a teaspoon, take a portion of the truffle mixture and shape between 2 spoons to form a round approx. 2.5cm (1inch) in diameter - if the mixture is too firm to work with, let it stand at room temperature for about 20 minutes to soften slightly. Put the truffle on a plate lined with baking parchment. Use up the rest of the mixture to make 12 truffles. Chill for at least 1 hour to firm up.
- 4 To decorate, sprinkle the coating on a plate. Working on one truffle at a time, roll it gently between your fingers to melt the outside a little, then roll in the coating. Put back on the lined plate and continue to coat the other truffles. Chill for at least 30 minutes before serving.
