

Funfetti Cookie Ice-Cream Sandwiches

16 pieces

Easy

● up to 50 Min.

Ingredients:

Funfetti Ice-Cream Cookie Sandwiches:

85 g Unsalted butter (softened)
100 g Caster Sugar
170 g Plain Flour
1 Egg
1 tsp Dr. Oetker Madagascan Vanilla Extract
0.5 tsp Dr. Oetker Baking Powder
Dr. Oetker Bright and Bold 4-Cell
(Plus extra sprinkles of your choice to roll your ice-cream sandwich in)
Ice Cream (A few scoops of ice-cream of your choice)

- 1 Beat together the butter, sugar, egg and Dr. Oetker Madagascan Vanilla Extract.
- 2 Next incorporate the flour and the Dr. Oetker baking powder, along with the Dr. Oetker Bright & Bold Sprinkles. Mix together to form a dough.
- 3 Shape the dough into a log (it doesn't need to be perfect) and wrap in cling film.
- 4 Chill the dough in the freezer for 30-40 minutes. Remove from the freezer and slice into 16 pieces.
- 5 Put the slices on a greased baking sheet and bake 8-9 minutes at 200C (180C Fan Oven). You will know when they are ready when they are a nice golden brown on the bottom.
- 6 Allow the cookies to cool completely. Then scoop 1-2 tablespoons of ice cream between two cookies and sandwich together. Roll in Dr. Oetker Sprinkles of your choice and then freeze 30 minutes before serving. Enjoy!
